Re: *Westchester County DEF Yonkers Joint Collection System*  
Docket No. CWA-02-2019-3021  
SPDES Permit No. NY0026689

Dear Ms. McEathron:

This correspondence is in response to the above-referenced Administrative Compliance Order, dated March 21, 2019 (“Order”). Specifically, Ordered Provisions 2(viii) and 2(ix).

**Ordered Provision 2(viii)**

Ordered Provision 2(viii) requires that the County “complete inspection and cleaning of all remaining trunk sewer lines within the Combined Sewer area, including, ‘North Yonkers (CSO Area)’ and ‘South Yonkers C’” no later than December 31, 2020.

Upon information and belief, this provision has been fully satisfied. Inspection of the New Yorkers (CSO Area) trunk sewer line was completed on May 11, 2020 at a cost of \$54,315.42 while inspection of South Yonkers C was completed on June 10, 2020 at a cost of \$8,878.35.

**Ordered Provision 2(ix)**

Ordered Provision 2(ix) states that the County must “complete repair and/or replacement of all tide gates to ensure that each seal completely, submit photographic and written documentation along with costs of each repaired/replaced tide gate and the regulator weir during high tide” no later than December 31, 2020.

Upon information and belief, this provision has been fully completed. Installation of the new tide gates was completed on December 2, 2020. \$4,000,000 were appropriated to complete this provision.<sup>1</sup>

---

<sup>1</sup> As of the date of this letter, the final invoices have not been submitted however the final costs are within the \$4,000,000 budget stated above.

All requested photographs are attached hereto. Please do not hesitate to contact me if you have any questions or concerns, or if additional information is needed.

Very truly yours,

---
